UNIVERSITY OF
Cincinnati

Dear Charlene,

Congratulations! You have been conditionally admitted to the University of Cincinnati's Bachelor Degree program in Mathematics in the McMicken College of Arts & Sciences for the Fall Semester which begins August 31, 2015.

Your admission to the Mathematics program is conditional. In order to receive a full offer of admission to this program, you must do the following:

1. Submit passing scores of ELS 112, TOEFL or IELTs by May 1, 2015.

2. Take the University's Math Placement Test and earn the score required for your academic program by May 1, 2015. The exam can be taken on campus, at participating ELS centers, and around the globe in the offices of our certified UC representatives.

3. Submit your final high school transcript and graduation certificate by May 1, 2015.

Your full admission is based on meeting the conditions listed above. If you are unable to meet these conditions by the May 1, 2015 deadline, we will assist you in finding alternative educational plans, which include beginning your studies at the University of Cincinnati in a different academic term or program. For admission questions or assistance with taking the Math Placement Test please contact us at international.admissions@uc.edu or (513) 556-2069

For questions regarding visas, sponsorship arrangements, international orientation activities and any required medical documentation or physicals please contact UC International Services at international.students@uc.edu or (513) 556-4278.

On behalf of the International Admissions Office, again congratulations! We look forward to welcoming you as a future member of the University of Cincinnati community.
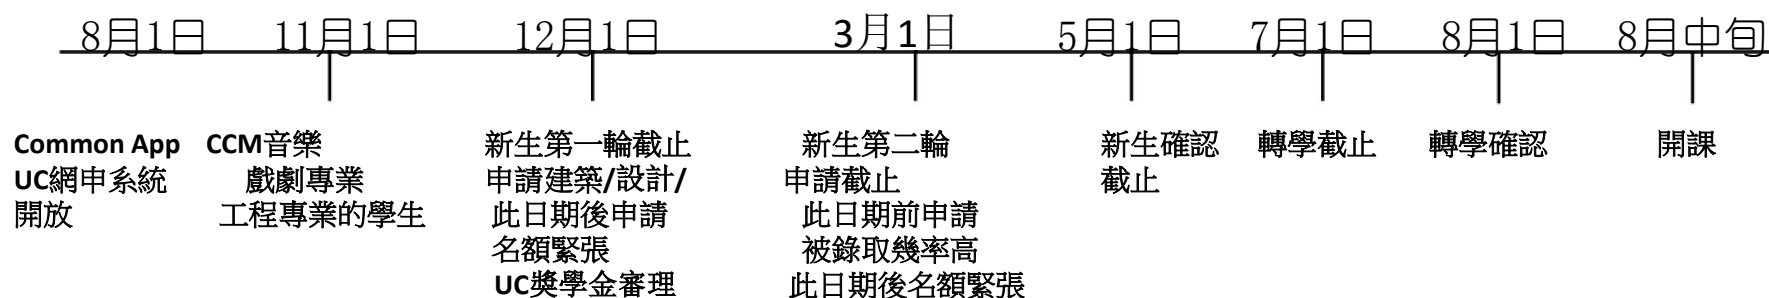

Sincerely,

Thomas Canepa, Ed.D.
Associate Vice President for Admissions

New: China Law Scholars Award

29 February 2016

This year's class of LLM students, who have all earned law degrees outside the US, represent 10 countries.

Apply for the UC College of Law's prestigious award!

What: Award winners will receive a 50% scholarship to UC Law's *LL.M. in the U.S. Legal System.*
How: Submit an application that meets the award criteria (85 TOEFL, LL.B., 2 letters of recommendation). There is no application fee!
When: Apply by April 1, 2016 to be considered.

Three reasons to choose UC's LL.M.:

1. **Affordability:** UC's program has among the lowest tuition of U.S. law schools. Combined with competitive scholarships, this makes UC's LL.M. a great return on investment.
2. **Location:** Cincinnati boasts a low cost of living for a major city, which makes it a great place to live and explore.
3. **Work experience:** Students in the LL.M. program are able to complete internships in their area of interest and expertise.

For more information, please visit the LL.M. website or contact Ms. Nora Burke Wagner, the Director of the LL.M. Program, at uclawllm@uc.edu.

Real-world work experience:

- Both the Bachelor and Master's programs require co-op

- Because IT is needed in every company, there are many co-op opportunities available

- There is a shortage of IT professionals in Cincinnati (and across the country)

- UC (through UCIT) hires a large number of co-ops—and because it is an on-campus job, it doesn't take away from OPT
